★☆☆☆☆ Terrible. David Hambleton from Rodgers Reidy has a reputation of making only money for himself with no regard for the workers he represents. I feel very sorry for the workers of Marcs and David Lawrence as I can guarantee they won't see a cent as Hambleton will suck it up for himself. Watch and see.

★☆☆☆☆ Alert! I have just seen that David Hambleton, who runs this company, has taken out a Federal Court injunction to stop people saying bad things about him. You can see it if you go to the Federal Court website. I have dealt with David Hambleton and you can be guaranteed that the workers in the Marcs and David Lawrence liquidation (or any others) won't get a cent and Hambleton will keep it all. If you are a worker be very, very worried!
